Dear Post 1365 American Legion Members,

As we enter the year 2026, it is important to take a moment and reflect on the accomplishments of the past year, the lesson we have learned, the memories of those we have lost, and the importance of membership in the American Legion. The American Legion is crucial for its advocacy for veterans' benefits, its community programs (youth sports, scholarships, disaster relief), and its promotion of patriotism, national security, and responsible citizenship through programs like Boys State, American Legion Get Out the Vote, Be the One" and initiatives that strengthen communities and support military families. In essence, the American Legion acts as a vital bridge, connecting veterans with necessary support, fostering strong communities, and upholding core American values. Please discuss membership in the Legion with your family members and friends. We must maintain a strong voice for all veterans and the American Legion is a key factor in legislation that affects our veterans. A recent quote worth sharing "Too often, military service is acknowledged in May and November, then forgotten the rest of the year

During the next few months, the officers of Gold Star Post will review and improve our internal processes, focus on attracting new members, and plan for overall improvements inside and around the Post grounds. We are thankful for the small group of volunteers who ensure the Post is always in great condition and a comfortable place for our members to visit. We welcome any member who would like to volunteer and join our dedicated team. We are also thankful for the Auxiliary. They have done a great job in 2025 and the Post has benefited substantially through their programs and activities. The Officers of Gold Star Post wish you a healthy, rewarding, and peaceful start of the New Year and, as always, thank our veterans often, please continue your efforts to encourage veterans you know to join the Legion, and we thank-you for your service.

Respectfully, Frank Saladis – Commander
